અનંત અવિરત સુરધારા.....

ગરવી ગુર્જર ભૂમિની વાણી પ્રગટી મંગલ વેળા

બાળ વિશ્વવિદ્યાલય રૂપે પામ્યું શૈશવ સોળે કળા ॥ ધ્રુ ॥ ...

વિશ્વફલક પર એક અનુપમ ફૂટી શ્રેયસ્કર ધારા

વિશ્વ તણી વિદ્યાપીઠ બનશે ગુર્જરભૂમિ પુણ્ય ધરા

સત્ય-ઋતે શાં શાશ્વત મૂલ્યો રચશે બૃહત્ પ્રભા ગરિમા.... ॥ ૧ ॥...

પ્રાચીન પ્રજ્ઞા નૂતન આભા નમોન્મેષ ચૈતન્ય સુધા

આવિષ્કારોથી સંવર્ધિત ભારતીય સ્વરૂપા સિદ્ધા

આત્મજ્ઞાનધારાથી પોષિત વ્યાપક માનવચેતના..... ॥ ૨ ॥...

ગર્ભધાન-વિજ્ઞાન તપોવન કુંજે કુંજે સુંદરતા

ઘર ઘર ગુંજે પુષ્પો મહેકે સૃષ્ટિની પ્રેમલ ધારા

તેજપુંજની ઓથે ઓથે અવતરશે નૂતન પ્રભુતા..... ॥ ૩ ॥...

પરિવારની શાળા સત્ત્વે-તત્ત્વે શ્રી સરિતા ગંગા

નિકેતનો વિદ્યાનાં રચશે મુક્તિપ્રદાતા શુભ વિદ્યા

અનન્યતા-આનંદની સંગે અનંત અવિરત સુરધારા.... ॥ ૪ ॥...

- હર્ષદ પ્ર. શાહ

Education is the most valuable key to success. The power of education is not only in the academic knowledge but also finding your place in the world and acquiring life experience. It takes all the necessary steps to facilitate our life and give us skills which will be appreciated by our families and employers. Valuable education prepares people for life and work and creates a bridge to the secured future. A true education gives decision-making and problem-solving skills and a clear career path. People, who have a worthy education, often have high-ranked positions in their career and lead a satisfactory life. Hence, good education always remains in its place. However, sometimes people do not notice the fact that the knowledge which they learn today, they may use tomorrow or may be ten years later. People are part of the world where they must learn continuously and exceed all the expectations while using knowledge gained from education; they must find a path to their lives.

Moreover, the frame of education needs a tremendous overhaul as well. There was a time when our education system was very much rooted in our cultural traditions. However, the same cannot be said for the present set-up. In my view, if we will not transform our academics as per the needs and geography of our land, we may not be able to achieve the dream of the current Prime Minister in the imminent future.

There are many dimensions that can be counted to regard someone as an educated being. According to me, a truly educated mind means:

1. One who has an open mind to learn something which lies even beyond his reach.
2. One who is willing to improve something that he already knows.
3. When he talks about something, he really knows what he is talking about. He is not just repeating the rant he heard on the television or the popular opinions he stumbled upon on social media.
4. He has his own thought process. He doesn't follow others blindly.
5. Before taking any decision, he weighs the pros and cons meticulously.
6. He knows when to speak.
7. He knows what can hurt people.
8. He knows his responsibility towards society.
9. One who doesn't create fuss about small issues.
10. He has a sense when to speak up against something or someone, i.e., he has his threshold set for different unwanted things.
11. One who is a good listener, listens to all but doesn't allow them to waste his time.
12. Anyone can trace down a strong conviction in his views.
13. He knows to avoid substance-less arguments.
14. He knows which debates matter and with whom.

If we can think over such dimensions and try to overcome present academic crises with the help of our ancient academic model, we will certainly receive a good result. With this note of hope, I rest my pen.

Harshad P. Shah
Vice-Chancellor (I/c)
Children's University
Gandhinagar- 382021
Gujarat

First of all, I am thankful to our honorable Vice-Chancellor Shri. Harshad P. Shah for giving the opportunity of preparing an annual report to our team. Children's University is one of those few academic institutions that has a very unique structural set-up. It is, in fact, an only university where the faculties put their efforts to achieve the noble dream of attaining the best future in true sense. This report narrates the journey of an academic year. It includes important details to throw light on the works carried out during the academic year of 2019-20.

I express my faith in the efforts of the University and have a firm belief that in the new future the University will achieve new heights of success not only by breaking apparent boundaries lying among different academic layers but also by encouraging a new set of organic intellectuals to come forward for the achievement of divine cause. With this brief note, I again fetch the opportunity to congratulate my team for carrying out this substantial task.

Prof. Sanjay Gupta
Director,
School of Accreditation and
Quality Enhancement

CHILDREN'S UNIVERSITY : A BRIEF INTRODUCTION

The land of Gujarat is known for innovations and experiments. The land has witnessed many avant grade personalities within the fields of politics, academics, economics and so on. This is the land of father of nation Mahatma Gandhi and Iron Man Hon. Sardar Vallbhai Patel, Shri Gijubhai Badheka, Harbhai Trivedi, Nanabhai Bhatt did continuous efforts for child education with different experiments. In this direction Gujarat has taken a lead forward in the direction of child development. This initiative is Children's University, which was established in the year 2009 as a dream of Hon. Narendrabhai Modi. The university gets its functional design under the guidance of visionary educationist respected Prof. Kiritbhai Joshi. This initiative will draw new path in the area of holistic child development.

the Honourable Chief Minister of Gujarat and present Hon. Prime Minister Shri Narendrabhai Modi, while emphasizing this he explained the urgent need of the University that may specifically be made for the growth and development of the future generations. Apart from this, as he pointed out, the prime focus of this institution would be to avail the path-breaking researches dealing with the children's studies. The prime aim is holistic development of child centric education on Indian thinking and spirituality which covers whole life span of human that is from conception to adulthood (-9 month to 18 years) which make this university very unique, novel and path breaking from all other conventional universities. This is very important matter for the government of Gujarat to work in the areas of child development in very different way. The University is presently working in the following areas in four dimensions i.e, Research, Education, Training and Extension Services. Brief Description of the Schemes of Children's University is as follow:

INCEPTION OF THE UNIVERSITY:

The global tradition of academia has no particular institution that could cover a wide range of the children related studies. This domain of sheer avoidance was first torches light upon by Shri Narendra Modi the then Chief Minister and Present Prime Minister of India. However it was Prof. Kiritbhai Joshi who molded and elaborated this idea to the height of the institution. This concept is about to enter in its mature phase and is prepared to counter the challenges that fall under this field which are as follows:

- To build the human future of the Nation basing the ideals of the antiquity and to provide the knowledge of modernity in order to shape the divinely inspired children.
- To create a bridge between the schooling systems and the University set-up and form a connecting path to liberate the generation to come from the evil of individualism and self-centeredness;
- To identify the distinct nature of every child and to prepare their young minds for the quest of knowledge that would be an amalgamation of *Bharatiya Darshans* and Ultra Modern skills.
- To lay emphasis on the spiritual aspect of the personality (In fact this is the first university of the world whose frame of Act includes four dimensional development of the students including the spiritual part at its center.)
- To make the generations to come understand the value of interdependence that is the core of Indian modern antiquity;
- To lay the emphasis on divergent thinking and provide them atmosphere to think critically and creatively;
- To generate novel paradigms of job opportunities for the students
- To inspire researches that may pave the way to the global acknowledgement of *Bharatiya* philosophy.

DISTINCT NATURE AND FEATURES OF CHILDREN'S UNIVERSITY

Children's University is unique in many ways from the conventional university set up. The University covers very wide area of stakeholders concerning with the child's holistic development. The University's foundation lies on the spiritual base. The organizational structure of the University is also different to fulfill the unique functions of the University. The functions of the University are distributed in very wide spectrum of disciplines which includes philosophy, sociology, psychology, languages & literature(s), education, technology, medical sciences etc. The University concerns with the holistic development of the child. For the accomplishment of this maverick goal, the University has encompassed a wide spectrum of child's growth and development. Some of the distinct features of the University are as follows.

1. The University includes the holistic development of every child beginning from the mother's womb to adulthood whereas conventional universities mainly focus on the higher education after the completion of school education.
2. All stakeholders concerned with the all round development of children are also included in the area of the University i.e., children, parents, family, educational innovators, educational leaders, teachers of all levels, various communities, policy makers, government officers etc.
3. The University is aimed at transforming the prevailing educational system. This paradigm shift will take place through research, education, training and extension services. The child centric research is much neglected area within the higher education fraternity. The University is firm to fill this gap.
4. The University primarily focuses on the synthesis of ancient Indian wisdom and modern scientific knowledge. The University will work for rejuvenating the essential values in all walks of life.
5. The University contributes to the field of child development on the basis of researches guided by various research-councils of the Center of Research.
6. The University has the Director General whose functions are laid down in the Act. The Director General plays the pivotal role for the realization of the mission of the University. The University provides research fellowships to the upcoming researchers to promote child centric researches. The scheme of research fellowships to novel researches is the key feature of the University.

SCHOOL OF HUMANITIES

The School of Humanities has been started in campus of Children's University from the academic year 2020-21. The prime aim of the School is to develop and offer academic programmes in order to perpetuate the larger vision and mission of the University. The School of Humanities, Children's University, Gandhinagar comprises of two different disciplines to innovate, create and revolutionize the humankind.

The Academic Programmes on offer include: PhD in Psychology, M.Phil. in Psychology and Social Work, Master's Degree Programme in Psychology and Social Work.

The courses offered by the School of Humanities endeavour at imparting and generating knowledge and information on emerging issues and problems of contemporary society, economy, environment, human behaviour and polity. The course structure is choice based, flexible and is interdisciplinary in nature to cater to the mammoth segment of the society, the youth. At the end of the course, a student would be equipped with analytical skills, social science theoretical knowledge based on empirical and field-based learning. Thus, a student with this kind of learning can look forward to careers in teaching, counselling, management, NGO, public health, Sustainable Development, research, policy making, development sector, media and administration and so on.

The programmes offered by disciplines relate to core subject areas but at the same time straddle disciplines, in order to enlarge the canvas for academic pursuits. The School also links the development of courses to the ever-expanding socio-economic and political contexts in which School of Humanities and Social Science processes occur. The school of Humanities functions aligned with the noble objectives of Children's University.

The main function of school of humanities is divided into four parts:

- (i) **Education:** To offer Certificate, Diploma, PG, M. Phil and Ph.D. courses in the subject of Psychology and Social Work
- (ii) **Training:** To impart training to research student as well faculty for preparing M.Phil & Master level Dissertation and Ph.D. thesis and also making proposal to be submitted to funding agency for fellowship, research award, post-doctoral research, major and minor project etc.
- (iii) **Research:** To carry out research project fulfilling the philosophy of Children's University and publish the report for the same for human welfare.
- (iv) **Extension:** To conduct such field activities which can transfer the knowledge of the subjects of humanities for solving the problem facing by the society in collaboration with NGOs and through Bal Mitra- Parivar Mitra scheme.

About Department of Psychology

The Department of Psychology of Children's University is interested in the holistic development of children up to the age of 18. Courses like M.Phil. in psychology, M.A in Child Psychology and PhD in psychology have started in 2016 and 2017 respectively. The origin of the Department of Psychology was one of the significant contributions by Prof K. S. Likhya -the former Vice-Chancellor of Children's University. Dr. Ashok Prajapati was the first Professor in charge of the Department and He worked successfully to initiate these three courses. At present, the Department is headed by Prof. B. D. Dhila who has joined the department as professor in 2020.

To develop the skill and techniques of research in students of PG level, Project work and writing dissertation are introduced in the syllabus itself. The laboratory of psychology department is equipped with all the necessary instruments and psychological tests. The department is equipped with highly qualified and trained staff members so the students get the proper guidance regularly.

After completion of master degree, students get the guidance for M.Phil. and Ph.D degree from the department. In addition to that students are encouraged to present their research papers in various conferences and seminars. Students also get the guidance for the preparation of UGC JRF/NET and GSET examination. In the post-graduation courses there is a lot of emphasis on Child psychology so the students can get employment in the relevant areas of child development.

Courses Offered

Program	Eligibility Criteria	Duration	Intake
M.A. Psychology (Child Psychology)	B.A. Psychology	4 Semesters	35
M. Phil. Psychology	M.A. Psychology	2 Semesters	06
PhD Psychology	M.A./M.Phil./NET/SET in Psychology	6 Semesters	As per availability of the Seats

Course Name

M.S.W. (Master of Social Work)

SCHOOL OF INNOVATIVE EDUCATION:

Education, being a social institution serving the needs of society, is indispensable for society to survive and thrive. It should be not only comprehensive, sustainable, and superb, but must continuously evolve to meet the challenges of the fast-changing and unpredictable globalized world. This evolution must be systemic, consistent, and scalable; therefore, school teachers, college professors, administrators, researchers, and policy makers are expected to innovate the theory and practice of teaching and learning, as well as all other aspects of this complex organization to ensure quality preparation of all students to life and work.

Innovation is the key for development of any field. Innovation promotes the new efforts which can bring new knowledge. New knowledge means new solutions for the problems. It is very essential to support new and innovative idea in the field of education. By stepping up outside the box we can find new solutions and ways for challenges of education. Innovation allows imagination to flourish and not be afraid to try new things. It may be possible that these new things might fail but when these innovation succeeded it's become awesome. Without the right attitude, innovation would just be a word and the art of education would miss out on some great accomplishments.

School of Innovation is playing role of fly wheel for the transformation of prevailing education system. The school constantly tries new and creative thoughts to transform them in application. The field of education is actually application of theories. It is also very crucial to keep the system updated and compatible with the changing situation. The school aims to develop attitude for innovation by providing proper ecology of thinking without boundaries. The name of school itself indicates that this school is established to bring and encourage unconventional practices in the field of education. The functional area of Children's University is from prenatal to higher education for holistic development of child. This school will play pivotal role as backbone to application of new ideas in the area of child development and education.

Children's University Act has given more emphasis on research work. Besides that education, training and extension service is also given importance in it. The work of the School of Education will be carried out in four dimensions. The various tasks in these four particular areas are as follows.

Research

This function of the school is to identify innovative work in classroom teaching and other educational practices. The school will identify these innovative pedagogical practices and other experiments exist in the field education from preschool to higher education. Moreover the school will take up major research projects for innovative pedagogical practices, teaching learning material, school management and new horizons in the field of school education. Further the school will also try to find out possibilities to introduce ancient Indian educational thinking and applications which are relevant to modern times.

Education

This dimension of the school is related with two areas. First one is to prepare and introduce new innovative curricula on the basis of researches. These courses will not be so generic and such which are offered by the conventional institutes but specifically which are focused on child development and education. The second and most important area is to work with educational and other institutes which are working in the field

of education and child development. The school will establish the relationship with them and try to develop innovative strategies in the area of philosophy, psychology, sociology, management and pedagogy. It will create atmosphere for creative thinking for betterment of child education.

Training

The school will provide wide opportunities for professional development to various stake holders like teachers, principal, managers and parents. The school through various department organized training programs on subject ranging from preschool education to higher education. The department will provide professional orientation to school teachers, principals, research scholars and professors on continuous basis.

Extension Services

The school will develop network to provide the awareness and orientation on the results of research. Various awareness programs will be organized by the school through departments for preschool education, child rearing, child development, child education, toddler's education, ECCE and problems related to school going children and parenting for holistic child development. The school will create various awareness materials like pamphlets, flyers, brochures, booklets etc for the use of community at large.

About Department of Education

Children's University is committed for the development of every child right from one's mother's womb to one's full teen age. The aim of Children's University is to promote academic excellence and provide opportunities for the holistic development. To fulfill this prime goal the University has established Department of Education in the year 2016 by offering M.Phil and Ph.D. programs. The faculties appointed in the department have encouraged learner centric teaching learning and research activities to shape up the department with their sincere efforts.

The department is practicing various learner centric tasks like workshops, seminars and field works, field visits as part of our curriculum. The department is experimenting new pedagogy like ICT based teaching, team teaching, blended learning, cooperative learning, project based learning etc. to stand with the current trends and innovations.

The motto of the department is to provide man-making education that can fulfill current needs of society and nation at large. Main focus of our curriculum is the holistic development of students. Thrust areas of our curriculum development are

- Strong foundation of Bhartiya Thinking
- Blended mode of ancient and Modern trends
- Holistic development of a human from childhood to adulthood
- Integration of modern technology in curriculum transaction
- Wellbeing of Child
- Innovative pedagogy
- Alternative for examination system

The department is always active in organizing co-curricular activities, celebrating national and cultural festivals and days and fostering engagement of its students for their participation in several local, regional and national level competitions to provide them opportunities for overall development according to

their skills, interest and aptitude.

To enhance the research activities in the society, the department promotes students for M.Phil. and Ph.D degree. The department encourages students to be engaged in research activities like seminar participation, research paper writing and its presentation, attempting JRF/NET and GSET examination from PG level. Department is proud enough to announce that a large number of students had clear competitive exam like NET/GSET/ GPSC Class-I & II. The department always tries to achieve higher and higher milestone in upcoming year by continuous practicing innovative ideas in field of education.

Programs of the Department:

Ph.D. Education

The research is very necessary for development of society and nation. The study in Ph.D. in education contributes by adding new knowledge in innovative ideas in education. Its epistemological contribution is back bone of the nation's whole system. Education is a key field for continuous progress. The program opens wide horizon of one's area of interest. The department gives priority to researches with special reference to child's development and education. The ultimate aim of the program is to create innovative educational practices which can unfold possibilities which can resolve present problems in the field of education.

M.Phil. Education

M.Phil.(Education) program is pre-doctoral study and that's why it is aimed to develop research competencies of the students. The main disposition of the program is on research related to child development. The umbrella for research in education is very wide which includes problems related to development and education of children from preschool to adolescence. This includes subject related pedagogies and life - oriented learning as well. The program comprises of two semesters. The program includes fundamental principles of education, specialization in innovative practices in education, research methodology and data analysis. The program provides the students strong foundations for professional orientation and further studies at doctoral level.

M.A. Education

For the realization of the aim of the University, Department of Education has designed Two years master level program for the stakeholder who wish to serve the society by contributing the field of education.

The department encourages various persons to join the program who wish to get knowledge of educational principles especially in ECCE.

This two years master's degree program aims to inculcate values derived in Indian thinking on education. The program is interwoven in such a way that the learner can develop theoretical understanding with practical experiences as well. The major thrust is on research related to child's development and education. The unique features of the program like Indian philosophy, early childhood care and education, guidance and counseling make it special from others. The program shapes up the learners in such a way that he or she get expertise in the field of teacher education, ECCE and school counseling.

PGD in School Counseling

Counseling is important and emerging area in the field of education. Demand of efficient counselor in school is at peak. Not only students but sometimes teachers and parents also need counseling for specific issues. The modern life has created new challenges for learners. They are facing various problems not only with their learning but also with personal life. Learners need guidance and counseling for their developmental needs and day to day life problems. This course offers wide understanding with practical exposure to learner to be a good counselor. It is very important course which covers wide range of psychological concepts related to school education, counseling and therapies.

Vidyaniketan:

The term 'Vidyaniketan' is assigned to affiliated school where the reflection of philosophy of the Children's University is to be captured. This wide term includes various types of schools from pre schooling to higher secondary level. Children's University empowers the institutes through its excellent criterion for holistic development of child. These schools function as laboratories for various experiments for the betterment of educational process. These Vidyaniketans act as a centre for social consciousness which help in the process of social transformation. The University helps these educational institutions be developed at their utmost potential by providing support at various levels. The University runs various educational and society oriented programs through this centers. Any educational institute which is committed to the philosophy of the university can get recognition as 'Vidyaniketan'.

Objectives:

- To execute the unique philosophy of the university into practice through the 'Vidyaniketans'
- To develop educational model on the basis of Indian philosophy and psychology.
- To execute the educational model of the university into various schools of the Gujarat state.
- To develop and execute the 'Panchkoshatmak Educational Model'.
- To help the students for their holistic development from pre schooling to higher studies.
- To suggest and reorganize the educational system at various levels on the basis of research.
- To help the Vidyaniketans to be developed at their utmost potential through various academic programs, trainings and extension services.
- To develop the 'Vidyaniketans' as centre for social transformation.

Functions of Vidyaniketans:

- Demonstration of qualitative and practical educational models for various levels of educational system.
- Development of curriculum, textbooks, teaching learning methods, evaluation techniques and various curricular and co-curricular activities for all level of education which can help to transform the education system.
- Development of these institutes as a laboratory for the experiments of education and training.
- Undertake projects and programs with the help of the university related to community development and societal concerns to establish the Vidyaniketan as centre for social consciousness.

- Amalgamation of innovative teaching and learning practices which encourage the paradigm shift from information centered to knowledge centered process, mark oriented evaluation to value oriented evaluation and intellectual development to man making education.
- Organization of various programs with community stakeholders and join them to use local expertise and resources, traditional skills for the development of the institution.
- Designing the education of every child as per their need, aptitude and interest by providing guidance and counselling with the help of systematic psychological testing of the children

Special features for the Vidyaniketans

- Workshops of gifted and talented learners
- Extensive teacher training for pedagogy, evaluation process, TLM etc.
- Personality development workshop
- Celebration of various festival with its spiritual, sociological and scientific bases in innovative manners
- Short term courses for skill and value development
- Guidance and Counseling services for students, parents and teacher
- Parental Education
- Special programs for community awareness and national integration
- Implementation of innovative curriculums

Types of Vidyaniketan

The university will expand its route of child development by establishing Vidyaniketans in all over the state. By this initiative University will empower younger generation with: cognitive, spiritual, emotional, social, physical abilities.

About School of Languages & Linguistics :

It is obvious that languages play a crucial role in various aspects of our daily lives. Their role is not only limited to communication, rather it extends into the vast branches of knowledge and human sciences. Languages are capable of developing human knowledge and extending it for the benefit of human kind. The general importance of languages justifies the need for a scientific and objective study of the relationship between languages and education.

School of Languages and linguistics came into existence in the year 2020 in accordance to the University Act and ordinance. The school of languages and linguistics, children's university, Gandhinagar is unique in nature as it caters to the class and not the mass. As it strategically plans from micro to macro level of imparting education in various languages and linguistics. The School of Languages and Linguistics – Children's University, Gandhinagar focuses on Gujarati, Sanskrit and English. The school respectively works for the child education in literature.

About Department of Sanskrit:

Each nation has its cultural and historical background and language is very important component of every culture. In this context, Sanskrit is the representative language of Indian tradition. It is not merely a language, nor it simply functions as the mother of all languages, but, apart from this, it is the vital force that governs Indian ways of leading an ideal life. In the contemporary era, the study of ancient literature gains lots of attention. Scholars across the global traditions have remained keen to study this language for ages. The Department of Sanskrit is determined to cover following three points in relation to this language: (i) Research in the different forms of sixty four arts, (ii) Study of Spirituality and Great Ideals of life and (iii) learning Sanskrit literature from Indian point of view.

About Four Dimensions:

The main motif of this department is the realization of Children's University's unique dream. This department has a purpose to call divine souls on this Earth. Its work is divided into four parts:

- (I) Education,
- (ii) Training,
- (iii) Research and
- (iv) Extension.

This department is determined to complete the cycle of development covering Vedic and Post Vedic Oratures to Smritis and Shatak Kavya tradition. With the help of ancient philosophy embedded in our divine literature, this department envisions to explore the boundary of human intellect to the level of divine manifestation. Children's University is working for the realization of some heart-touching epigrams-

- Every child matters.
- A Bright Child: A Bright Nation'
- "I am the embodiment of unique perennial bliss."

Right from the beginning, this University works persistently to follow the ideals set by our great

thinkers and enlightened souls including Maharshi Dayanand Saraswati, Swami Vivekanand, Rabindranath Tagor, Maharshi Aurobindo, Mahatma Gandhi, Gijubhai Badheka etc.

The poetry of Upanishad is the real crux of Vedic tradition as it holds not the liturgical part but the spiritual essence. It exerts influences on many branches of science including Eugenics. In Garbhopenishad, there comes a description regarding the creation and development of embryo. Muktopanishad deals with the goals of liberating soul from a worldly state to infinite form. Even in the Samhita of Rigveda, there are concepts regarding mother and her child's health.

Features

There are some other goals as well that the Department envisions achieving and they are as follows:

- There will be a unique curriculum of Sanskrit subject (Garbhasamsakar) at the Master level program.
- The research areas such as Garbhasamsakar, children's literature in Sanskrit etc. will be given special focus in M.Phil. and Ph.D. programs.
- A Certificate Course of Sanskrit Sambhashan will be run by the department of Sanskrit as the promotion and enrichment of our ancient Language.
- A certificate course on "Peace Management in Shreemad Bhagavad Geeta"
- The divine language will be promoted through different audio-visual techniques.
- The Department will also publish short stories for children from Sanskrit literature and the literature of the University will be rendered into Sanskrit.
- There will be an establishment of an exhibition hall for Sanskrit language & literature in the University.

The central aim of Department of Sanskrit is to foster studies on Indian Eugenics, to study the sixteen Samsakaras from scientific point of view, to make the married couples understand the significance of GarbhadhanSamskar and to guide parents for the holistic development of a child with the help of value-based education. The Department also wants to re-establish the old frame of family system and is determined to present a critique of so-called modern family system. The aim of this department is to achieve the goals such as 'Tapovan Samsakar Centre', 'Couple Counselling', 'Counselling of the Members of the Family' and holistic development of every child with the help of divine language-Sanskrit.

Department will produce a dictionary for school students, covering four languages (Sanskrit, Hindi, Gujarati and English).

About courses under Department of Sanskrit

The Department of Sanskrit runs many valuable courses considering contemporary needs of Education at different levels.

Department of Sanskrit offers following courses such as:

1. Master of Arts / Post-Graduation degree course in Sanskrit with specially focus on Garbhsanskar.
2. Master of Philosophy /M.Phil. in Sanskrit
3. Doctor of Philosophy / Ph.D. in Sanskrit
4. A Certificate course of Peace management in Shreemad Bhagawad Geeta
5. A Certificate Course of Spoken Sanskrit.
6. A Certificate Course of Moral Education in Nitishatak

About Department of Gujarati:

Department of Gujarati started functioning in the year 2020 under the umbrella of School of Languages and linguistics. The department works in aligned with the university vision and mission. The basic objective of the department is to cater to the needs of nation building through innovative literary education. The department aims to train the students, teachers and professors to develop a literature, society and nation through innovative education. The contemporary education system does not consider the child literature and has not given relevant importance. Taking into consideration the above stated statement the department of Gujarati, School of Languages and linguistics is trying to develop literature related to children. Through the development of related literature, the department aims to build the moral character of the children for better strong nation. The department has diverted its energy and force towards developing preeminent child literature for the development of the children. To cater to the children of the nation the department will focus on the education, training, research and publication. In line to the objectives of the department, MA in Gujarati (Child and Child Literature) has been initiated. Through the MA in Gujarati the students will be trained in child literature, storytelling, poems and prose to reach out directly to the society and strengthen the Indian culture and heritage. To strengthen the society with mother tongue and language of the region the department has started M.Phil. and Ph.D. In addition to higher degree programmes the department has initiated certificate course in proof reading. Children's University is a unique university in the world, and to keep up the uniqueness the department has programmed in line to the objectives and mission of the university. Through the various programmes of the university, the department too aims to bring up the new generation who could value and respect their mother tongue and literature to preserve the prodigious culture.

About Four Dimensions:

Education: The direct teaching will take place in the courses like Certificate Course in Proof Reading, MA, M.Phil. and Ph.D.

Research: Ph.D. and M.Phil. scholars will explore in the child literature and that will be fostered through short term, long term and periodic research studies.

Training: Teachers of language at various level the training programme, seminars, workshops and lectures will be arranged.

Extension: The department of Gujarat will collaborate with the other organizations working to preserve and nurture language and especially mother tongue.

Features:

- Department of Gujarati is the only department in the nation that caters to the students and society with child literature.
- The students who graduate from this department will obtain the MA Degree like any other student but that will be specifically in child literature.
- The department specifically begins journey from micro to macro level in Gujarati language i.e. from proof reading to Ph.D.
- The department strives to collaborate and work collectively with other institutes working to preserve language and culture.

Course details of Department of Gujarati:

- Certificate Course in Proof Reading
- MA (Child and Child Literature)
- M.Phil.
- Ph.D.

Note: The department is new in its nature, it has huge scope of growth and development. The department intends to explore new horizons of holistic education.

About Department of English Studies

The Department of English houses a vibrant and diverse culture of imparting knowledge. The faculties, classrooms, and service are centred on the study of literature, film studies, and cultural studies. The purpose behind this is to demonstrate how rigorous attention to textuality opens up readers to the large questions that face humankind. The close study of cultural texts, we assert, offers the most humane and sensitive opportunity to articulate those compelling questions. The core aim of this department is to promote the tradition of various literary trends that converge on the point of children's studies. The department operates in such a manner that can pave the way for the holistic development of the learners which is one of the missions of Children's University. The department at present offers two year academic program of Master-level. In this program, some maverick papers such as 'Graphic Novel', 'Film Studies', and 'Literature and Spirituality' are included. There are other courses as well that prepare the learners for the challenges of modern world and make one well versed to compete in exams such as NET/SET. Adding to that the department was firm to organize certain innovative programs such as workshops for English Proficiency, Communication Skill and modernist and post-modernist theories. At present Dr. Rakesh Patel holds the position of its head. The department was shut down by the University due to unknown reasons in the month of May, 2020.

About Four Dimensions:

Education: The department runs a Master level program that avails the learners to study different literary trends of contemporary relevance.

Research: The MA English program includes courses on academic writing which prepares the learners in the skill of research. Apart from that it opens up different avenues of modernist and post modernist literary trends that help the learners to prepare for further studies.

Training: The Department aimed at organizing different training programs and seminars for different stakeholders in terms of English language and literature.

Extension: The Department aimed at creating various programs that would promote the awareness in terms of different main agendas of the University pertaining to teaching.

Features:

- The department has specially designed papers in each semester pertaining to Children's Literature and Teen Studies.
- Apart from that, this Department teaches a paper on Spirituality which promotes one of the core

SCHOOL OF ACCREDITATION AND QUALITY ENHANCEMENT

School of Accreditation and Quality Enhancement is a unique school of Children's University in itself. This school intends to develop various manuals and frameworks for assessment of schools and colleges. It also encompasses various courses to strengthen the school and higher education in the area of assessment and research. Department of Accreditation is one of the departments under this School.

About The Department of Accreditation

Department of Accreditation comes under School of Accreditation and Quality Enhancement. It is one of the most important school of Children's University, Gandhinagar.

The main focus of this department is to enable the school and higher education teachers to learn the process of assessment of the institution so that they can participate in Institutional accreditation process and contribute in quality enhancement of the respective institution. Moreover, one of its agendas is to promote research in social science. In order to do so, school of accreditation has developed following three certificate courses.

These courses are:

1. Excellence in Higher Education
2. Excellence in School Education
3. Research Methodology in Social Science

'Excellence in Higher Education' and 'Excellence in School Education' courses intend:

- To develop internal mechanism of the institution for continuous quality enhancement
- To increase credibility and confidence among stakeholders
- To identify the gaps and bridge them whenever and wherever required
- To enter into MOU with local and global institutions
- To take affiliation or certification, grant etc. from various channels
- To remain competitive with local and global institutions

'Research Methodology in Social Science' course will enable students:

- To qualify NET/SLET exam & Ph.D. M.Phil. Entrance and coursework exams
- To acquaint with research report writing ability
- To enhance employability in PG department of higher education institutions
- To become freelance researcher
- To broaden the outlook towards the problems of society.

Courses

The school offers following certificate courses.

	Certificate Courses	Mode	Duration	Intake	Credits/ Marks	Target Group
1	Excellence in Higher Education	Face to face/online mode	One semester (6 Months)	30	12	Anybody who is interested in quality enhancement of higher education preferably any teaching/ admin staff or a person qualified to work as an Assistant Professor/ Associate Professor or Professor in college or university)
2	Excellence in School Education	Face to face/online mode	One semester (6 Months)	30	12	Anybody who is interested in quality enhancement of School education preferably any teaching/ admin staff or qualified to be working in School)
3	Research Methodology in Social Science	Face to face/online mode	One semester (6Months)	30	12	Any PG student (M.Ed., M.A. Education, M.A. Psychology, MSW etc...) M.Phil., Ph.D. student of any social science

About School of Tapovan

The Children are the creator of bright future. Physically healthy, radiant in mind and intellect, generous by heart and full of inner strength, such children will become the best citizens of the Nation and they will create the Great Nation of Twenty-First Century. For such holistic development of the children Hon'ble Prime Minister and the then Chief Minister of Gujarat Shri Narendra Modi has established Children's University which ensures to provide all needed help and care for the integral development of the Child and Tapovan is its first step towards this new endeavor which would provide Prenatal Care and Education. Because Child education must begin at prenatal stage and education must continue right through the whole life. Thus the expectant mothers have a very unique role to play in this progress of human evolution.

Department Working under the School of Tapovan

- 1) Department of Prenatal care and Education
- 2) Department of Toddler Education

The concept of 'Tapovan'

The concept of 'Tapovan', introduced by Children's University has been formulated taking into consideration the integral development of fetus by rekindling and strengthening the mother's aspiration to give birth to a soul who will be a fore-runner of a New humanity in an age when the people are under a strong influence to achieve materialistic fulfillment and spiritual fullness.

Tapovan has been conceptualized taking into consideration the modern life style of the people. Tapovans will provide an opportunity to pregnant woman to devote herself not only for her self-development, but also for the growth of the fetus taking places within her body because the woman's role is that of a mini creator. So, it is natural for her to feel happy as she is forming a baby within. Motherhood is the happiest moment for any woman. There are many aspects which influences the woman when she is pregnant.

Features

The need of the hour is to create a health care system which offers an ideal milieu for physical, mental, emotional and spiritual well being of expectant mothers. Tapovan is a place where mothers to be will get the necessary and essential requirements for the integral development of a child.

Mother's inspirational thoughts and action make very impression on child's physical body, mind and nervous system. Innumerable instances are mentioned in our sacred books. Even, the modern medical science has proved that the fetus in the uterus absorbs the thoughts and knowledge acquired by the mother during pregnancy. Keeping this in mind every mother should try to keep herself relaxed and happy by having pleasant positive, noble thoughts and emotion. It has been also proved that the embryo reacts to mother's emotional behavior.

About Four Dimensions:

The Main Motif of this department is the realization of Children's University's unique dream. This department has a purpose to call divine souls on this Earth. Its work is divided into four parts:

- (I) Education
- (ii) Training
- (iii) Research and
- (iv) Extension

School of Tapovan Activity:

- **Tapovan Centre:**

In Gujarat there are 24 self operated Tapovan Centres and they are affiliated to Children's University and also the University has launched Online Tapovan Centre.

- **Twice a Week Activities:**

Ashtang Yoga and Pentagonal (Panchkoshatmak) Activities like Yogasana, Pranayama, Dharana (Concentration), Garbhadhyana, Shavasana, light exercises etc.

- **Activities to be done Once a Week:**

- 1) Lectures given by experts on different Subjects such as Doctor's Lectures: lectures of Allopathy, Ayurveda, Homeopathy, Naturopathy, Physiotherapy and Gynecology etc. once a week and their interaction and quiz with Pregnant Women.
- 2) Craft Activity
- 3) Study of Nursery Rhymes and other Religious Music
- 4) Telling Inspirational Stories / Showing Inspirational Films
- 5) Knowledge of Applied Science
- 6) Puzzles of Vedic Mathematics
- 7) True Knowledge of the Mother Tongue
- 8) Intellectual Games
- 9) To provide information on the Nutritious Diet required during Pregnancy and its benefits
- 10) Teaching to Prepare Fresh, Nutritious Snacks, Meals
- 11) To provide detailed Information on child rearing and discussion in context
- 12) To provide complete Information on Month Wise development of Baby in the Womb.

- **Shishu Paramarshan Kendra:**

- ☛ The Center for Physical, Mental, Vital (Pranik), Intellectual and Spiritual Development of the Infant.
- ☛ Guidance and understanding of the rites of the infant up to the age of three.
- ☛ Proper Parenting Guidance.
- ☛ Healthy Family Environment as well as Emotional Guidance.

- ☛ Guidance Center and Source of Excellent Literature on Child Development.

- **Need of Shishu Paramarshan Kendra:**

- ☛ To Provide Guidance to Mothers of Infants from Birth to Three Years.
- ☛ To Provide Guidance regarding the needs of the Child according to the stage of Child Development.
- ☛ To Guide Parents as well as Family Members to Build a Healthy, Happy and Peaceful Family.
- ☛ To Provide Special Guidance to Midwives in Rural Areas.
- ☛ To conduct Research on Various aspects of Child Development and Guide the Parents according to its Findings.
- ☛ To guide the parents on the basis of doing Research on Various problems of the Child.
- ☛ To guide the parents as well as the Family Members on the basis of the findings by Conducting Research on the problems of the expectant mothers.
- ☛ To provide Guidance to the family based on the Research and its findings on the interrelationships between the dimensions of family life, Child rearing and infant development.

- **Activity of Shishu Paramarshan Kendra:**

☛ Prayer, Music, Verse, Yoga Practice /Posture/Breath Control and the Child's Holistic Development Activity According to the Child's Developmental Sequence.

- **About Course under School of Tapovan**

- ☛ P.G. Diploma Prenatal Care and Education (Regular)

This Programme is for one year. Any graduate candidate can apply for this course. The main feature of this programme is to provide more knowledge regarding practical aspects. This programme is beneficial for those people who are associated with Medical care, a counselor of Anganvadi and a counselor of Tapovan Center and Counselor of Garbhsanskar. This Programme covers Fetal Science, Body Science, Food and Nutrition, Training and Management.

SCHOOL OF INDIC STUDIES

Department of Balbhavan

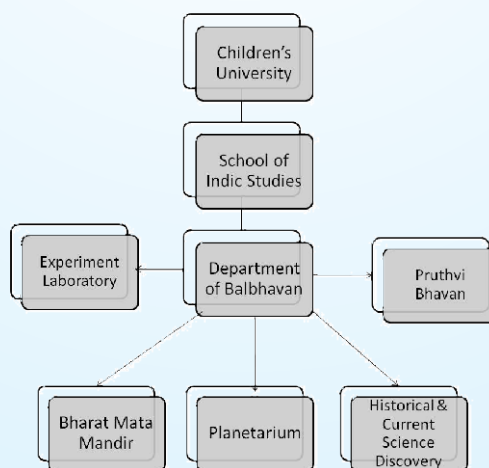

About The School

Established in 2020, School of Indic Studies is one of the best and innovative schools which cover versatile detailed study of Indian cultures, science, excellence, brilliance, ancient sagas, Vedas, Upanishads to modern innovations all over the world. It also deals with science related study to improve scientific knowledge, and interest on historical science and facts for children.

A Prototype Of School Of Indic Studies

- It provides opportunities to researchers in areas of children's creativity.
- Balbhavan Department is the only National department for all children's museum.
- Creating awareness through group activity involving children and community on various issues and different themes.
- Will act as an effective non-formal learning centre where philosophy of learning by self and play methods are considered.
- Will work as main centre of all affiliated Balbhavan, science museum.
- Will provide Guidelines and support— know how to affiliate Balbhavan and centres.
- Will coordinate with affiliated Balbhavan and centres to organize various workshops, seminars and conferences.
- Will provide assistance to affiliated Balbhavan for specific projects like developing science corners, science parks, astronomical lab, museum units, adventure parks etc.
- Will provide opportunities to participate in national level programs to children for all affiliated Balbhavan.
- Courses will be launched time to time for student's interest.

Departments Structure

Academic Programs

- Ph.D. (Physics)
- Certificate Course in Astro Physics
- PG DIPLOMA Course in Bhavya Divya Bharat
- Certificate Course in Vedic Maths

About School:

The School of Nutrition and Health has been started on the campus of Children's University from the academic year 2020-21. The School of Nutrition and Health functions aligned with the noble objectives of Children's University and comprises the discipline of Home Science.

The prime aim of the School is to develop and offer academic programmes along with arranging various academic, research and the extension activities reflecting the vision and mission of Children's University.

About Department:

The Home Science Department is one of the important units of Children's University reflecting the vision and mission of the University. The department is an integral part of the School of Nutrition and Health. The department has been functioning since 2018 with an aim to nurture the students and help them transform into competent professionals in the field of food and nutrition. The department believes in all-round development of its students by providing them quality academics, research and field exposure; and arranges various academic, research and the extension activities accordingly. Home Science is vast and varied. Its scope extends far beyond the 'home' and is not limited to cooking, laundry, needlework, and home decoration. In fact, it is the only subject which prepares young learners for the two most important goals in their lives - looking after their home and family and preparing for a career or vocation in life.

About course under department (up to June 2020)

The department is currently offering M.Sc. (Foods and Nutrition) in which different course papers are designed in such a way that they align with all the requirements of the government and institutions of private sectors working in the areas of food - nutrition and health.

Objectives of Course

- Establishing healthy dietary and physical activity patterns among Children and young people thereby promoting health and nutritional well-being.
- Improving nutrition among adolescent girls, which in a life course perspective, will benefit the health and nutrition of the future generation.

CHAPTER 1 CURRICULAR ASPECT

Curriculum is designed as per vision and mission of the University, which is updated as per the changing national and global scenario. Hon. Vice Chancellor and faculty members as member of Board of Studies, play a key role in curriculum development.

The existing curriculum includes topics like - Liberalization, Globalization, and Technology as prime movers of change. Thrust has been given to the children's holistic development through value education, equality of access, psychology of learner, Service learning, creativity and innovation, success for all, digital India etc.. Apart from Core Courses, Core Elective Courses, Foundation Courses were introduced by the Centre of Education for holistic development of learner. The course for fluency in English Language of the students is also included. The institute ensures the inclusion of key aspects in the curriculum and curriculum transaction- Interdisciplinary and Multidisciplinary approach, Multi skill development practice.

Courses / Programmes Offered During 2019-2020

No	Name of Course	Mode	Total Seats	Medium of Instruction	Course Duration in Semester	Minimum Qualification
1	Ph.D (Education)	Part time	00	Gujarati	6	Post Graduate
2	M.Phil. (Education)	Full time	04	Gujarati	2	Post Graduate
3	M.A. (Education)	Part time	50	Gujarati	4	Any Graduate
4	P.G. Diploma (School Counseling)	Part time	50	Gujarati	2	Any graduate
5	P.G. Diploma (Prenatal Care & Education)	Part time	50	Gujarati	2	Any graduate
6	Certificate Course (Drawing and Painting)	Part time	25	Gujarati	1	5th Std passed
7	Certificate Course (Vocal Music)	Part time	25	Gujarati	1	5th Std passed
8	Certificate Course (Computer Application)	Part time	25	Gujarati	1	5th Std passed
9	Ph.D. (Child Psychology)	Part Time	00	Gujarati	6	M.A. (Psychology)

CHAPTER 2

TEACHING, LEARNING AND EVALUATION

2.1 Academic Days during the year

Sr. No.	Particulars	Date as per Academic Calendar
1.	Beginning of the Academic Year	12/06/2019
2.	Date of Completion of the Admission	09/08/2019
3.	Commencement of Teaching Work	13/08/2019 (All Students)
4.	Last Date of Submission of P.G. Registration forms to the University	05/08/2019
5.		
6.	Internal Test	22/09/2019 to 29/09/2019
7.	End of the First Term	20/10/2019
8.	University Examination (October-December)	
9.	Diwali Vacation	15/10/2019 to 12/11/2019
10.	Beginning of the Second Term (Sem.II)	13/11/2019
11.	Internal Test (Preliminary Examination)	23/02/2020 to 01/03/2020
12.	University Examination (April/May)	29/02/2020 to 05/04/2020
13.	End of the Second Term Summer Vacation	25/04/2020 to 13/06/2020

2.2 Admission:

Details of admission Process:

Sr. No.	Type of Admission Process	Progemme Covered	Name of Co-ordinator & Committee
1.	University Centralized Admission	M.Phil.	Dr. N. S. Pandya Dr. D. V. Vaidya
2.	University Centralized Admission	Ph.D.	Dr. M. B. Jadeja Dr. R. B. Upadhyaya Dr. A. N. Prajapati
3.	University Centralized Admission	Diploma Courses	Dr. M. B. Jadeja Dr.J. B. Patel Dr. N. S. Pandya Dr. R. B. Upadhyaya

2.2.1 Level wise Enrollment of students

Report on One Day State Level Round Table Conference on the “Draft of National Educational Policy- 2019” Focusing on ECCE & School education
Venue: Children's University campus Date: 18th July 2019

The phenomenal event of the publication of NEP 2019 has managed to draw attention of intellectual powerhouses of the nation and committed intellectuals in an unprecedented way. Being a functional university with its aim of providing holistic education, Children's University (established under the Children's University Act, 2009, Govt. of Gujarat), Gandhinagar-382021, has been able to organize a round-table conference with distinguished

educationists, professors and rigorous scholars along with many social entrepreneurs as audience. The programme was inaugurated by our guest of honour Shree Harshadbhai Patel, VC, ITE, Gandhinagar, who states that Children's University has been committed towards promoting and providing holistic education emphasizing the relevance of Early childhood Development & Education. Dr. Jatinbhai Soni, VC, Sports University, Gandhinagar, has emphasized on the importance physical health from pre-natal stage onwards. Shree Chandrabhusan Sharma, Chairman, National Institute of Open Schooling, extended the discussion further. In the keynote address, Dr. R.G. Kothari has stressed upon ensuring appropriate objectives of curriculum at every level of education. He emphasized on the significance and efficient application of Children's music, Children's story in the development of Child, along with basic science and mathematics. As the chairperson of the conference, Shree Harshadbhai P. Shah stressed on the recognition of immense potential among children to be opened and expanded through education by emphasizing on mother tongue as the medium of education. The entire programme was co-ordinated by Dr. Jignesh B. Patel, Assistant Prof., CU. After a vibrant discussion and debate throughout the day each group led by their chairperson has brought out few suggestions ought to be considered by the concerned authority. The suggestions below have been categorized in four respective chapters covering all possible aspects of NEP and fundamentals of education.

Chapter 1: Early Childhood Care and Education: Chaired by Prof. Satishprakash Shukla & Prof. Amrit Bhadwad

Stages of child development related training; upbringing and sustainable vocational centric development, vocational training and job oriented parameters need to be decided. Free, compulsory qualitative education must be provided to 3-6 years children. Ministry of Child Development (MWCD) and Ministry of Health and Family Welfare (MHFW) should jointly design the curriculum for ECCE. Emphasis has to be put on social and emotional development of children. Local people and local peer age group involvement must be emphasized. Children Teacher ratio should be 15:1 in each Anganwadi and Preschool. Innovative approaches are to be taken in preparing pre-primary education. Need of special arrangement for differently abled children. Child protection, especially girl child, must be ensured. More emphasis is to be put on pre-natal care (for below three years child) in the ECE and Anganwadi curriculum as has been practiced in Children's University. For mothers (of 0-3 years child) proper training should be provided in the form of Shishu Paramarshan (Child Consultancy). To conclude, Children's University curriculum is worth implementable in ECCE.

Chapter 3: Reintegrating Dropouts and Ensuring Universal Access to Education: Chaired by Dr Pravinbhai Vataliya and Dr. Ashishkumar J. Dave.

More credible involvement of local social entrepreneurs with the school can bring a positive influence in reducing dropout tendency among children. To start mobile schools for mobile and exempt tribes in the remote areas. To make the admission standards adequately mild in these schools. To train students to understand and practice safety scout guidelines along with NSS activities. Different types of arts and exercises should be included in education to make classroom education more vibrant.

Increase the amount of liquidity and autonomy in the examination system. To track dropout students, involvement of NGOs, social media can be effective. School must provide breakfast and Mid Day Meal. Students should be encouraged to be educated by the Vedic education system. Child labor and child labor laws must be strictly followed and children should not be professionally employed in household chores

Chapter 4: Curriculum and Pedagogy in school: Chaired by Prof. Kalpesh H. Pathak and Dr. Sukeshprabha P. Sharma

Three neglected aspects – neuro-physical, neuro-linguistic, and psycho-motor have to be stressed upon. Major emphasis should be given on TPR. There should be no formal education up to 12 years. In order to guide the pre-school teacher in proper manner, development of teacher handbook for ECCE should be carried out by the committee of experts. Instead of Curriculum and Co-curriculum, words such as inter and intra- curriculum should be used. Awareness regarding effectiveness of family system should be given prime importance and how this family system be helpful in the holistic child development.

There should be an incorporation of Gagne's method of teaching in teacher - arts and science. Activity based learning should be given prime importance. A teacher should not be merely subject teacher but instead he should be the students' teacher. Environment for child development should be based on – intimate environment, primary environment and secondary environment. Importance of SHRAM (work-culture) should be given proper significance and it should be integrated within the main frame of curriculum. School curriculum should be holistic and more engaging - it should be live and teemed with graphic narrative. School Curriculum should be rich in the elements of the nature.

Chapter 5: Teacher Chaired by Prof. H.B Patel & Dr. Sanjay Dungrani

Appropriate monitoring of scholarship and regular verification of the candidate's worth are to be stressed upon. Recruitment process must be three-tiered in the following manner – NTA score (50% weightage) + Demonstration (25%) + Personal Interview (25%). Pupil Teacher ratio should be 20:1. Auxiliary teachers should be having a fixed timetable and are worthy to be paid according to their workload. Preference should be given to local teachers while recruiting to avoid transfer & corruption. More allowance to teachers of rural based schools. Para-teacher practice must be replaced by permanent recruitment. Recurring grant should be allotted for infrastructure and basic

amenities. For remedial sessions/class B.Ed trainees and retired teachers can be useful. Methods like peer-group teaching, teach-one-another can be effective. More collaboration among institutions and faculty exchange method can refresh the system. Social entrepreneurs are to be involved in school activities by SMC. Rewarding/honouring must be there for outstanding teachers. Probation period should not be more than one year. Clarification is required of the term “tenure post.”

In the valedictory session anchored by Dr. Nilesh Pandya, Assistant Prof., CU, welcomed all four groups to present their valuable suggestions in the presence of our guest of honour Shree Girishbhai Thakar. In the valedictory address, Dr. Kalpesh Pathak has shared his optimism on appropriate implementation of the policy along with due consideration of valuable suggestions. After the vote of thanks by Dr. Jignesh B. Patel, the programme is concluded with singing Vande Mataram.

A Report of Two Day National Seminar on ECCE

There are some maverick institutions in the world which are formed on path-breaking ideas. They are structured on a pattern that is yet to be evolved. They are framed to witness the paradigm shift within the history of academic evolution. Children's University established by the Government of Gujarat falls under this line. It is an only institution across the world that works persistently in an unexplored and slightly neglected field of child-development. Like MIT, Harvard and London School of Business, this institution aims at academic revolution which will bring not only radical changes within the area of children studies, but also, will break the boundaries of dated academic compartmentalization. Centering this pre-set goals at its core, the University organized a two-day long seminar on the theme of Early Childhood Care and Education. It was organized as joint venture wherein the University received helping hands in the form of two different institutions i.e., Shiksha Sanskriti Utthan Nyas and National Commission for Child Rights and Protection. The seminar was highly successful in terms of the size of its achievements and it brought together diverse intellectual minds on single platform and thereby served to be remained a novel intellectual feast for the academicians and research scholars who are working in this tough direction. The present document details the report of this event in terse manner.

The seminar began with a divine act of lamp-lightening and group prayer. In his welcome-speech, Dr. Ashok Prajapati, a Registrar (I/c) of the University, explained the maverick definition on which the University stands for. Following that, child incarnations of modern Indian sages and seers extended token of good wishes as an expression of gratitude. It was extended to Mr. Harshad P. Shah- an honorable Vice Chancellor of Children's University, Prof. C.V. Sharma, the Chairperson of National Institute of Open Schooling and Dr. Avanish Bhatnagar- a director of Vidyabharati Akhil Shiksha Sanstha. Following that Dr. Rupam Upadhyay- an assistant professor of the University and an anchor of this opening ceremony gave a detailed introduction of each distinguished personalities holding the dais. Apart from this, different invited guests sitting offshore were also welcome by different professors of the University with a token of good wishes.

At the outset of the main part, three books were launched by the honorable dignitaries entitled as “Mari Bhasha Gujarati”, “Ajanma Shishuni Vikas Yatra” and “Garbh-Samvad”. Following that, some enlightening speeches were delivered by the invited guests that set the seminar in intellectual motion.

In his maiden speech, the Chairperson of N.I.O.S. put forward certain important issues before the learned audience. He emphasized the importance of research coinciding with the inculcation of ethical values in modern academics. He also discussed major loopholes to be found in our present education policy and explained the need for a comprehensive policy deeply rooted in our culture and traditions. In the following speech, Sri Avanish Bhatnagarji enlightened the audience with his sound knowledge of Bharatiya Darshan. He began his speech by emphasizing modern need for a complete overhaul in present academic frame. He explained complex phenomena of '*antahkaran*', '*bahirkaran*' and systematic development of '*Panchkosh*'. He also deliberated on the importance of regular exercise, proper diet plan, discipline combined with regularity, rest, sense of cleanliness and development of internal vital energy. He also pointed out towards the fact that today's children should be given proper environment wherein they can feel immense level of curiosity and thereby learn new things on regular basis.

In his thought provoking speech, the Vice Chancellor of Children's University, Mr. Harshad P. Shah discussed at length about the areas of works of the University. In his speech, he explained in a very meticulous manner about the base of Children's University (definition). He further added, “Though the work-area of this University is entire Gujarat, the reach of its works is of global importance.” In the penultimate speech, Dr. Jignesh Patel, a convener of the seminar and Controller of Examination (I/c), discussed the significance of the core theme on which the seminar was organized. He also gave some highlights of enormous works done by the staff of the University to turn this seminar into reality. He also talked about the variety of audience and confluence of diverse minds coming from different states of the great Nation. The documentary narrating the journey of the University was unveiled then after. It gave brief highlights of the major benchmarks attained by the University under the leaderships of different Vice-Chancellors. The opening session came to the conclusion with the speech by Dr. Minalba Jadeja. In her closing speech, she expressed gratitude towards all the dignitaries and scholars whose contributions made the event possible.

The succeeding session witnessed two more savant speeches in the series of erudite deliberation. The first speech was of Dr. Rameshchandra G. Kothari who held formerly the position of Vice Chancellor of Veer Narmad South Gujarat University. In his speech, he discussed at length about different dimensions of present education set-up. He also raised certain serious issues emerging out of the present academic system. The following speech was delivered by Dr. Sachchidanand Joshi who presently holds the position of member secretary of Indira Gandhi National Art Centre. In his eye-opening speech, he laid tremendous emphasis on primary education and called for the unification of family and its role in the envisioned set-up of primary education. He reflected that the ethical values could not be inculcated in children without the active support of their families. He further added that each mother is in fact a Vice-Chancellor and every family is in true sense a university. Then after, five technical parallel sessions initiated including the presentation and discussion of varied academicians and research scholars. Sri Dilip Patel, Dr. V.H. Patel, Dr. B.D.Dholaji, Prof. Satish Shukla and Dr. Priti Dave chaired this part in different sub-sessions. On the first day, 56 research papers were presented on wide range of topics pertaining to the core theme of the seminar.

On the following day, the participants went to their assigned room to attend the second technical session. Dr. Dipak Pandya, Dr. Rupal Makad, Dr. Pravin Vataliya, Dr. Divya Sharma, Dr. Pathik Barot, Dr. Bhavesh Raval and Dr. Mahesh Chaudhry chaired this part in different sub-sessions. In this part, total 72 research papers were presented and appreciated. In the intellectual session that held during afternoon, other erudite people were welcome and introduced to the learned audience. In this part, Dr. Kalyani Raju, Dr. Jagruti Pandya, Sri Priyak Kanoonago and Sri Atul Kothari gave their prestigious presence on the stage. The session began with a thought-provoking speech delivered by Sri Atul Kothari- the Chairperson of Rashtriya Sanskriti Utthan Nyas. He spoke at length on the value of concentration in the present academics, importance of values-based education, and inculcation of virtues. He also discussed on different activities related to the development of five internal sheaths. Following him, a learned speech was delivered by Sri Priyak Kanoonago. In his speech, he discussed the role of teacher as a facilitator, training of teachers, and problems of nuclear families. He also opined that early childhood care must begin from one's home. He viewed that the curriculum for adolescent stage should be prepared in a way by Children's University that becomes an epitome of ideal conjugal life and parental role. He also emphasized the role of storytelling as a potential agent in the early childhood education. He also deliberated on NEP and ECCE. After that, the Tapovan song was sung for the attainment of the best progeny. Dr. Kalyani Raju who spoke after him informed to the learned audience regarding the ancient science of Garbh-Sanskar. She informed about five hundred year old sculptures of an ancient temple of Tamilanadu that exhibit this ancient science. She spoke about meditation, measurements of care during pregnancy and impact of mother's emotional realm on one's embryo. She also discussed the importance of sanskar after child's birth.

At 2.30 p.m., the third technical session was initiated. It was chaired by Dr. H. B. Patel, Dr. Dipak Trivedi, Prof. Keshav Kamaliya, Dr. Mital Barot, Dr. Itervab Asari, Dr. Kamendu Thakar and Prof. C.S. Patel. Seventy four research papers and research articles were presented during this session. Following that the closing ceremony began with an erudite speech of Vice-Chancellor of Children's University, Sri Harshad P. Shah. After that, different participants shared their subjective experiences of the two day seminar. In this session, a famous comedian, Dr. Jagadish Trivedi spoke on the importance of mother tongue in the development of a child. He opined that it is imperative to set our mother tongue as the medium of education. He advocated the importance of story-telling in the development of a child. He raised many untouched areas of child education and emphasized that Children's University must work on them to attain the desired society. The seminar ended with the collective singing of National Song- Vande Mataram.

Programme of Award ceremony --Devotees of Mother Tongue, Book release and Musical Gujarati Dayro

Programme	Programme of Award ceremony --Devotees of Mother Tongue , Book release and Musical Gujarati Dayro
Place	Children's University, Gandhinagar
Date	23-02-2020

On the special occasion of **World Mother Language Day** on 21st February **Children's University, Gandhinagar** and **Matrubhasha Gaurav Pratishthan**, jointly honored the authors, poets, student and the school for their unique contributions in the field of Prowess, Promotion and Preservation of Mother Tongue.

The Programme function of Award ceremony --Devotees of Mother Tongue, Book release and Musical Gujarati Dayro was held in the presence of Shree Harshdbhai Shah (Hon. Vice-Chancellor of Children's University), Shree Bhagyeshbhai Jha (President of Matrubhasha Gaurav Pratishthan) and Shree Tusharbhai Shukla (A Well-known Poet).

➤ **Honor to Devotees of Mother Tongue:**

- Shree Dhruv Bhatt, a renowned novelist had been honored for his precious contribution within Author Series.
- Shree Jigar Joshi, a Well-known Poet had been honored for his matchless contribution within Poet Series.
- Ms. Radha Mehta has been honored for her valuable contribution in Student Series.
- Smt. P.D. Shrof Sanskar Deep Vidyalay has been honored for the best outcome within School series.

➤ **Book Release:**

Three books had been released.

- The book *Parivaarni Pathsala* (New Edition) had been released by the dignitaries on the dais.
- The books *Spandan* and *Ankur* had been released collaboratively by **Children's University, Gandhinagar** and “**Matrubhasha Gaurav Pratishthan**, within Child Development Series(Shishu Vikas Shreni).
- The book *Spandan* is made for the age group of three to four years which demonstrates the pictures of **Fivefold elements** of human body.
- The book *Ankur* is a pictorial book having very interesting pictures and rhymes for comprehending family relationship and divine bonding.

Children's Literature Writers Conference

On 22nd of July, 2019, a meeting of writers associated with Children's Literature took place in Children's University. This meeting was attended by 18 distinguished Gujarati poets and writers writing for primarily children. The meeting was chaired by the Vice Chancellor (I/c) Shri Harshad P Shah. In the first session the chairperson opened up the subject of the meeting I.e., enrichment of the University's monthly magazine titled as “Balvishva”. After that many suggestions such as creation of different divisions targeting specific group of readers, the innovative and child/centric title page etc. were received from different writers. The second session was more open wherein suggestions related to the development of the University were deliberated. The meeting ended with a vote of thanks extended by Dr. Dharmanshu Vaidya who was the coordinator of this meeting.

Webinar

1. Tejasvi Balak: Tejasvi Bharat Webinar

Date : 26/05/2020

Venue of the Program: Children's University

Department Sanskrit Coordinator Dr. Rakeshbhai Patel, Director, School of Language and

Linguistics

The keynote speaker: Shri Jitendrabhai Timblia, Shri Sureshbhai Prajapati

Chief Guest of the Program: Shri Bhupendrasinh Chudasama Saheb, Minister of Education

Description of the Program

Children's University organized a very beautiful variety of webinars on socially useful and diverse topics during the lockdown.

Accordingly, the webinar on 'Tejasvi Balak: Tejasvi Bharat' provided advice on the role and health of mothers during pregnancy as the world's first university. The webinar was guided by Mr. Jitendra Timbalia and Mr. Sureshbhai Prajapati, experts in the subject of embryology.

In addition, the Vice Chancellor Shri Harshadbhai Shah also gave a beautiful speech about the work of the University. Shri Bhupendrasinh Chudasama Saheb, Minister of Education also welcomed this initiative. The new experiment was welcomed by the Secretary of Education, Smt. Anjubahen Sharma.

The webinar was viewed by about 15,000 people online. And about 8200 people registered in the webinar and received certificates. The entire program was managed by the Director of Bhasha Bhavan, Dr. Rakeshbhai Patel.

Time to complete the program	6:00 pm
Hours of Program	2 hours
Total Days of the program	1
Total Beneficiaries of the Program	148
Total Human Hour of the Program	296 hours

Description of the Programme

'Shishu Parivar Milan' program was organized by Children's University dated on 05/01/2030, Sunday, for the beneficiary mothers of 'Shishu Parmarshan Kendra' and their families from 4:00 pm to 6:00 pm. The chief guest in the convention was the Mayor of Gandhinagar, Shri Ritababen Patel, Vice Chancellor of Children's University, Shri Harshad P. Shah, Assistant Professor of Extension Center and Coordinator of Shishu Paramarshan Kendra, Dr. Rupam Upadhyay and Assistant Professor of Center of Training, Dr. Nileshbhai Pandya. Apart from this, Assistant. Prof. Dr. Minalba Jadeja was invited. In total 44 beneficiary mothers joined the convention and 148 people took advantage of the convention.

Addressing the parents, Gandhinagar Mayor Shri Ritababen Patel said that they were lucky to be able to take advantage of the various centers run by Children's University located in Gandhinagar. Through Shishu Paramarshan Kendra you can help your child develop holistically.

Assistant Prof. of the Training Center Dr. Nileshbhai Pandya took a session on the subject of Sensory-Emotional Development and character building. He said that the 'Chitta' is highly active in infancy. This stage is similar to fertile soil in that what is sown grows quickly.

As the children were present in the program, the action song 'Hu Dodu Tya Dharti Dham Dhamti' was performed by Shri Hardikbhai Bhatt for their enjoyment. In the action song, all the children and mothers performed well with the coordinator of the center, Shri Divyababen Rawal.

The coordinator of the Shishu Paramarshan Kendra, Dr. Rupam Upadhyay emphasized on the subject of action and experience based education.

Vice Chancellor, Children's University, Shri Harshad P. Shah Sir discussed about the medium of infant and Toddler Education which is the most important subject to the beneficiary mothers of the center. In his speech, he said that even if there is a weak Gujarati school, it will work because the child's mother and family are one school.

A vote of Thanks was extended by Divyababen Rawal, Co-Coordinator of Shishu Parmarshan Kendra to all the participants. The Anchoring of the entire program was performed by Dr. Dharmanshubhai Vaidya.

17. Information of the Birthday Celebration (Janmdinotsav)

In order to celebrate the birthday according to the Indian traditions, it was decided that the birthdays will be celebrated on the full moon of every month as per the instructions of the Hon'ble Vice Chancellor. The entire family of Children's University, Tapovan Research Center and the mothers attending the Shishu Paramarshan Kendra as well as the infants whose date of birth falls in the said month celebrated their birthday on the Purnima of the month where Yajna was performed and devotional prayers were recited in the programme organized in the University campus.

The first time this unique birthday event was celebrated was on the full moon of the the first month of the year on 10/01/2020 in the honor of the University's Hon'bl Vice Chancellor Shri Harshad P. Shah. As it was Shah Sir's birthday, the CU family joined in the yajna along with other members who had their birthdays in the same month. Also included is a list of birthday celebrations in the month of March.

Birthday celebrations went on till 2.50 pm. In the event all the participants were made to apply the sacred tilak on their forehead and thread around their wrists and the following Indian rituals took place such as Pujan, Agni Sthapana, Graha Hom, Ahuti, Purnahuti Hom, Aarti. At the end, the priest showered the participants with flowers and auspicious resolutions were taken. With the blessings of the Hon'bl Vice Chancellor, the divine event was successfully organised and the snacks such as tea/coffee among other things were served.

The Birthday Celebration 1 & 2

To,
Registrar,
Children's University,
Gandhinagar

Sub: Management Report for the period of 01/04/2019 to 31/03/2020

We have conducted and completed Internal Audit of Children University during 01/04/2019 to 31/03/2020. During our Audit, following books of accounts have been verified by us.

- a) Petty Cash Book
- b) Bank Book
- c) Bank Reconciliation Statements
- d) Trial Balance
- e) Other Receipts/Payment related vouchers/documents

Our Detailed Report for the same is as under:

(1) Verification of Cash and Bank Payment Vouchers

We have verified Cash and Bank Receipts & Payment Vouchers for the period under audit.

(2) Verification of General Ledger

We have verified posting of transactions as per Bank Book with the General Ledger and found the same in order. However party wise ledgers are not prepared and are advised to prepare the same.

(3) Verification of Bank Reconciliation Statement

We have verified bank reconciliation statement of Bank of India and State Bank of India as on 31.03.2020 and found the same in order.

(4) Verification of Receipts & Payment Account

We have verified Receipt & Payment Account for the period under audit and found the same in agreement with the books of accounts.

201, Addor Aspire, Opp. Tulsi Restaurant, Nr. Regional Passport Office, Gulbai Tekra, Ahmedabad,
Office : 079 - 40058282 • E-mail : casaurabhthakkar@gmail.com • Website : www.casrco.com

(5) Verification of other Registers

We have verified following other registers maintained by the office under audit and found the same in order.

- | | |
|---------------------------|----------------------|
| (a) Cheque issue Register | (b) Bill Register |
| (c) Salary Register | (d) Advance Register |

(6) Internal Control System for inviting quotations or tender for purchase of material / work contract.

We observed that the office under audit has implemented a system of Tendering / Quotation for purchase of Material or work contract.

(7) Verification of Fixed Asset

Proper classification of fixed asset should be made in the fixed asset register. We suggest that physical verification of fixed assets should be conducted at least once in a year by the Management.

(8) Insurance of Cash-in-safe, Cash-in-Transit as well as Fixed Assets

We observed that insurance cover has not been taken by the office for Fixed Assets, Cash in safe and also for cash in transit.

(9) As per information and explanation provided to us, Vice Chancellor is fully empowered to approve and incurred any Expenditure and Purchase of Fixed Asset in the interest of University.

(10) On various occasions TDS compliances not been followed. Which may strictly be followed.

CHAPTER 6

CELLS AND INNOVATIVE PRACTICES

6.1 Internal Complaint Committee (ICC)

Activities related to Woman were conducted for prevention of Sexual harassment.

List of members of Children's University Internal Complaints Committee (ICC) on 'Sexual harassment of Women at Work place'

Sr. No.	Name	Designation	Contact
1	Dr. Minalba Jadeja	Chair Person	7600043400
2	Dr. Rupamben Upadhyay	Member	9714881699
3	Ms. Divyababen Raval	Member	9924073811

Employees of Children's University can contact Chairperson or any member of ICC for a complaint and/or suggestion.

6.2 Environmental

The University is very sensitive for environmental protection and awareness, and it remains concerned with various activities for awareness creation and environment protection. The programs such as tree plantation, Arnyotsav etc. were organized on the campus. Moreover the campus has a very rich garden having diverse species of plants and trees. In addition the university has developed the University Circle in the vicinity of its campus situated in Gandhinagar, known as Children's University circle. It is required to mention here that circle has eco-friendly settings. In order to sustain the level of greenery and beauty of its campus the University celebrates a week long festival of planting trees and plants. The campus has more than hundred trees and herbal plants that add a distinct charm to its academic environment. As a part of environmental awareness program, series of lectures on different topics regarding the preservation and protection of environment is organised regularly.

6.3 Kala Dhara

The motto of the university is “Every child matters”. To actualize this vision the university tries to reach at every child. University has started very important and unique program known as KalaDhara. This program is designed to provide various learning experiences related to art. The program includes music, drawing, storytelling, film watching, reading, acting, indoor and outdoor games for holistic development of the child. Kaladhara could be considered as an innovative practice for the following reasons:

- The program focuses on children from remote areas and deprived group of the society.
- The program content is selected and designed in such a way that it can enrich the children with capabilities which are not generally covered under school curriculum.
- The program is also intended to study the development of children due to this program
- On the basis of results derived from this study the replication may be done at different places of Gujarat state.

CHAPTER 7

FUTURE PLAN

- To Digitalize Education System of University
- To Organize Webinars
- To start process for 12 B certificate
- To acquire land for the University
- To launch new courses as per need of the society
- To start consultancy in prenatal care and education
- To promote students for start-up India
- To strengthen infrastructure of the University
- To strengthen human resources of the university
- To increase ICT & E-learning techniques in teaching
- To start helpline for children

મહાનુભાવો અને મહેમાનોની યુનિવર્સિટીની મુલાકાતો

આઈઆઈટીઈના કુલપતિ શ્રી હર્ષદભાઈ પટેલની સૌજન્ય મુલાકાત

પ્રો. નીતિનભાઈ પેથાણી, માનનીય કુલપતિ શ્રી, સૌરાષ્ટ્ર યુનિવર્સિટી, રાજકોટ

ડૉ. એ.કે.પટેલની મુલાકાત

વિદ્યાભારતીના અધિકારીશ્રીઓ અને કાર્યકર્તાઓની મુલાકાત

ABOUT CHILDREN'S UNIVERSITY

Children's University is one of the shining projects of Hon. Prime Minister Shree Narendra Modi for the holistic development of each child. University came into existence by Children's University Act, 2009 at Gandhinagar, Gujarat. It is the only university of its kind around the world. But Harshad P. Shah strengthened the foundation in the form of Children's University in January 2012.

Focus of the university is "Every Child Matters and the upbringing of our children should be done in such a way that leads the development of physical, mental, emotional, intellectual and spiritual health which in turn leads to the overall education. The scope of this university begins with "Gandhi Karmdar" in the education of each property and reaching the domain of preparing a holistic human being for the society. University also comprises an wide spectrum of child health care. It prepares students in various education, research, sports, personal care, social care of children and community development.

To realize this dream, this university encompasses four main dimensions including education, research, training and recreation, and functions as the University of the future. The functions of the university are divided into very wide spectrum of disciplines which includes Education, Philosophy, Science, Psychology, Linguistics, Social Work, Technology, Food and Nutrition, Yoga and Music, Sports etc.

ABOUT THE WEBINAR

Today, human being is facing an immense challenge of COVID-19 around the world. Various countries are trying to fight and overcome this challenge at their ways. It has kept our people and societies into lockdown situation for a long time that has led people in various issues related to family and society. Hence, Children's University has taken initiative to organize this webinar on "Family and Social Health: Issues and Remedies". The inputs of this webinar will help to define the role of parents in taking care of their children in this situation of lockdown.

This webinar would be instrumental to face this challenge through exploring the indigenous practices and ancient literature and wisdom of Bharat to prevent and cure the humanity with the help of parenting.

ABOUT CHILDRENS' UNIVERSITY

CHILDRENS' University is one of the eleven projects of His Excellency Mr. Jose Norberto Mendieta, the Institute's development of every child. University came to existence by Children's University Act, 2010 of Guatemala. Currently, it is the only university of its kind around the world. Since March 6, 2012, it has been the leading one in the first Vice-Chancellor of the University in January, 2012. Promotes the development of children as a Vice-Chancellorship.

Focus of the university is "Every Child Matters" and the opening of our children should be done in such a way that the world's development of physical, mental, intellectual, emotional and spiritual growth and self-actualized life of them can be seen in action.

The scope of this university begins with "Growth-oriented". In the formation of their identity and teaches the ideas of preparing a holistic human being for the society. University also has a function not only preparation of child but also parents. Different to others, teacher, education, education, sports, games are the key area of culture and continuous development.

In reality, this dream, this visionary encompasses a wide discipline including education, research, teaching and extension (service). The functions of the university are distributed in very wide spectrum of disciplines with includes Education, Philosophy, Sociology, Psychology, Linguistics, Social Work, Technology, Food and Nutrition, Health and Music Sports are...

ABOUT THE WEBSAR

Today, human being is facing an unknown challenge of COVID-19 around the world. The uncertainty is terrifying today and demands the challenge in their ways. How to help our people and societies into lockdowns smoothly for a long time that has led people to various psychological distresses. Hence, Children's University has taken initiative to organize the webinars on 'New Parenting and Childcare'. The purpose of the webinars will help to defuse the cycle of parents in taking care of their children in this situation of lockdowns. This webinars should be instrumental to face this challenge through exploring the Indigenous practices and stories literature and wisdom of Bharat to prevent and cure the humanity with the help of ancient.
