# INTRODUCTION OF CHILDREN'S UNIVERSITY

## About Us:

- The children of today have to be prepared to become builders of the future, - the future which would be marked by replacement of competitive individualism by the synthesis of individual liberty, collective egalitarianism and universal and spiritual fraternity;
- The future will be liberated from disabling scepticism and from comforting arrestation of quest of knowledge, and progress will be accelerated by ardent aspirations to realise higher spiritual truths and their manifestation in physical life;
- The new world of the future will cultivate material life so as to make it prosperous and rich and it will replace poverty wherever it exists by elimination of drudgery, exploitation and slavery and encourage nobility, dignity and continuous empowerment.

The children's university will lead the children of today to build a new world of friendliness, mutuality and harmony that transcends all barriers of narrowness and blind conflicts resulting from exclusivism and burden of the past that strives to linger against the pressure of the future of uplifting light and prosperity.

## Vision

---

### **The Vision of Children's University is three-dimensional.**

- To develop Bharatiya stream of knowledge and lifestyle by achieving *Panchakoshatmak* (five-layered) development of children.
- To prepare children for the realization of higher spiritual truths.
- To augment knowledge capita by preparing academic scholars for substantial researches to map Indian Childhood through academic modalities.

## Objectives

---

- To re-create the teaching pedagogical structure by integrating the guidance of globally acclaimed academicians.
- To create human beings inspired by global brotherhood and patriotism.
- To inculcate ethical and cultural values among children.
- To establish Bharat as an academic power of the world by integrating the knowledge of antiquity and modernity.
- To prepare a child for the achievement of global citizenship.

### **The Vision of Children's University is three-dimensional.**

1. To develop Bharatiya stream of knowledge and lifestyle by achieving five-layered development of children.
2. To make children realize the higher spiritual truths.
3. To augment knowledge capita by preparing children for substantial along with building and creating their sublime character and self-pride.

#### **Objective:**

- **The objects of the University shall be as follows: -**
- (1) to study and undertake research in the works of pioneering educationists of Gujarat, India as also of other parts of the world, who have underlined the need for child-centred holistic education so as to derive guidance from the same;
- (2) to promote the fundamental duties laid" down in article 51A of the Constitution of India;
- (3) to foster in the University highest purposes of education of the body, life, and mind as also of the human spirit in its integrity;
- (4) to promote synthesis of scientific realism and artistic creativity;
- (5) to recover the lights from lessons of ancient wisdom in the context of modern developments; Establishment and Incorporation of University. Headquarters Of University. Objects of University. PART-IV] GUJARAT GOVERNMENT GAZETTE, EX., 31-7-2009 16-4
- (6) to establish facilities, programmes and activities of research, education, training, and extension services that promote all levels of child's development, including at the primary and secondary levels of education;
- (7) to introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity;
- (8) to study and derive lessons from the ongoing experiments of education that are taking place in Gujarat as also elsewhere and to foster all the valuable innovative work and promote the same for larger expansion and utilization.
